Sharpie®

The original permanent marker, Sharpie® has iconic ink that dries quickly and resists both water and fading. Bold to the extreme and permanent to the core, Sharpie permanent markers create individual expression that can't be copied, refuses to be taken lightly and absolutely will not be ignored.

BARONFIG

Baronfig is a company that makes analog and digital stationery products that are designed to help people think more creatively and deeply. The company's mission is to "champion thinkers around the world through inspiration and imagination". Baronfig's products are said to have several benefits, such as helping people to focus and generate more ideas than digital tools.

The Moleskine® brand was created in 1997, bringing back to life the legendary notebook used by artists and thinkers over the past two centuries. Today, Moleskine identifies a vast family of paper objects, smart notebooks and apps, bags, books, travel and digital device accessories and writing tools. Moleskine objects, both analog and digital, connect the owner to a heritage in art, literature and cultural and geographical exploration.
